## Green Campus Initiative Policy

- 1) We have banned the plastic in the campus to have clean and sustainable campus.
- 2) The college management have proposed to have pathways for the pedestrians.
- 3) We are working our best to fulfil the objective, to have Eco-friendly campus and environment.
- 4) The protection of environment through various initiatives like banning on plastic, effective waste management, plantation of saplings, plants and trees in the campus are being carried out.
- 5) The increasing global warming has been a critical problem for the world, we are spreading awareness among student and society to use conventional energy resources.
- 6) We are motivating students and faculty members to use bicycles and electrical vehicles as much as possible.
