

7.3. Institutional Distinctiveness :

Our Vision, Priority And Trust

Vision :

- 1) Our main goal is to serve rural population and project every rural youth as the most competent individual with up to date knowledge.
- 2) To open the doors of higher education to the deprived rural girls.
- 3) To uplift all the weaker sections of Inapur Tahasil through higher education.
- 4) To create social, political and cultural awareness through higher education.

Priority: To sensitize the social responsibility and all around development of rural students.

Thrust: To transfer life skills and impart higher education to the economic and social weaker sections of the society.

Area of Distinctiveness in tune with vision, priority and Thrust.

Higher education at the doorstep of the rural masses for social, political and cultural awareness through higher education.

Performance of the Institution in the Distinctive Area :

ITGP a socially conscious institute with vision was setup for providing advance academic and skill based education to the students from the vicinity. The college was started in June 1984 to make the higher education at the reach of the students from rural area. The college takes efforts to shape the carrier oriented minds to become sensitive and high valued citizens of the nation. College fulfilling the vision to promote the social, political and culture of value based education. system with firm belief in up-lifting socio – economically weaker sections of the society.

The college focusing on the following points to impart education to all the masses from diverse backgrounds as follows :

1) Locality / Geographical Background :

The college located in rural part of Indapur Tahasil and on the border of three districts that is Pune, Solapur and Satara. The students of the college are mainly

from the agricultural background Indapur tahasil is also famous for grapes, berry and Ghongdi production. It is situated on the banks of Nira river.
