Facilities for Women

Facilities Provided for Women

The College is very keen on the desires, aspirations, abilities and professional skills of human resources, without any discrimination about their gender. Further extensive efforts are taken into account for the communal and artistic factors involved in gender-based exclusion and discrimination in the most diverse spheres of community and personal life.

The Institute shows gender sensitivity in providing following facilities such as:

(a) Safety and Security: To ensure safety and security in the college campus, following facilities are also available:

CCTV Monitoring: CCTV cameras are installed in strategic locations of the campus which provide 24 hrs. Surveillance in order to observe the ongoing activities.

Complaint Box: A Complaint box is placed near the college library, intended to collect any suggestions or any complaint from female staff and girl students of the campus concerning any abuse or harassment.

Grievance Redressal & Sexual Harassment Committee: The College has several committees like Anti-ragging Committee and Grievance Redressal & Sexual Harassment Committee to monitor and address safety, security and social issues. These committees are displayed on the college website and in the premises of the college.

Fire Safety Equipment's: Fire extinguishers are installed in the library and other places in the College to take precautionary measures during fire.
